

The Bureau of Reclamation, Maricopa County Parks and Recreation Department,
Central Arizona Water Conservation District (Central Arizona Project),
and Arizona Bass Federation.
are pleased to cooperate in presenting

Arizona's 13th Annual

“CATCH A SPECIAL THRILL FOR KIDS” FISHING DAY

Hosted by Reclamation under a contract with the CAST
for Kids Foundation, the event will be held on:

April 7, 2012 at Lake Pleasant Regional Park

An all-volunteer event, “CAST for Kids” is designed to introduce children with disabilities or long term illness, and other disadvantaged youth to the fun of fishing.

Children and adults alike will share in a day of fun and learning. The participating children will take a boat ride, hopefully reel in a big fish, enjoy a barbecue lunch, receive a plaque commemorating the day, and make some new friends.

This is a very special event for those children who might otherwise never have the opportunity to experience outdoor recreation in this way, or feel the joy of catching their first fish.

Volunteers will be treated to the unique and rewarding gifts that these children so freely give and the fulfillment of giving back to their community.

RECLAMATION
Managing Water in the West

We invite you to share in the joy of assisting this event to succeed!

You can volunteer your time, provide your products or services, or your tax deductible donation.
